Our fees

The Chivenor Military Ladies Choir respectfully asks you to cover our costs and out of pocket expenses for our ladies, as this enables the choir to continue providing a fair service to support other great causes, charities and the general public. Furthermore, it aids us to continue giving vital support and welfare to women within the military community. **Actual costs** are done on a case by case analysis, due to your different needs or requirements. Once we have the information specific to your event we will get back to you with the costs that we will need to be included, before anything can be agreed in principle. We have included a list of things for you to consider, where essential costs are **in bold**, the others are dependent on the event type and requirements.
